## **BUCKLAND NEWTON PARISH COUNCIL**

## **Minutes of Meeting**

## Tuesday, 14<sup>th</sup> December 2010 at 8.00 pm in the Parish Room

**Present:** Chair - Trevor Marpole (TM), Mark Needham (MN), Stephen White(SW), Andrew Stone (AS), Andy Foot (ARF), Alan Foot(AJF), Nicki Barker (NB)

Clerk: Vanessa Wellstead (VW)

<ol> <li>Apologies: Chris Osmond (CO), Doug Morse (DM)</li> <li>Declarations of Interest:         <ul> <li>B3143 Route Maintenance:</li> <li>Jody Foy and Councillor Jill Haynes from DCC attended the meeting to discuss the plans for improvements to the B3143 through the piddle valley.</li></ul></li></ol>	Item	Detail	Action
<ol> <li>B3143 Route Maintenance:         <ol> <li>Jody Foy and Councillor Jill Haynes from DCC attended the meeting to discuss the plans for improvements to the B3143 through the piddle valley.</li></ol></li></ol>	1.	Apologies: Chris Osmond (CO), Doug Morse (DM)	
<ol> <li>Jody Foy and Councillor Jill Haynes from DCC attended the meeting to discuss the plans for improvements to the B3143 through the piddle valley. These include the construction of a walkway running from opposite the village shop to the crossroads. As well as providing safer pedestrian access to the shop, this will also narrow the road and will hopefully slow passing traffic. It is proposed that the walkway will have a 25mm up stand and therefore will not prevent two large vehicles passing each other. There are also plans to install wooden entrance gates by the Buckland Newton village signs with a view to helping reduce vehicle speeds. It is intended to remove 14 signs from the B3143 in order to declutter the highway and the centre line will be removed on stretches of the road to act as a further speed deterrent. Currently the budget only includes the stretch of the B3143 up to the Duntish junction. The Parish Councillors asked about the triangle of land by the Duntish junction which, although previously requested, remains in need of landscaping as visibility is still an issue. Jody Foy and Councillor Haynes noted the request. The traditional fingerpost signs situated within the Parish were also discussed as the Parish Council felt it was important to keep these maintained for the future. It was suggested that it may be possible for the Parish Council to organise the repair of the signs.  An article detailing the plans for the B3143 to be included in the Lydden Vale News for February.</li> <li>Following the recent weather, Councillor Haynes also mentioned the gritting program which involves gritting the main local routes and also secondary routes where possible. There are also supplies of grit available in dumpy bags which can be delivered and stored undercover. Cllr Haynes will request whether it would be possible on this occasion for Cllr Foot to collect several bags prior to the weekend.</li> <li>Minutes of Last Meeting held 9th November: Passed Agreed &amp; Signed</li> <li>Planning Applica</li></ol>	2.	Declarations of Interest:

Car ports Parish Council – No Objections with lighting comment  2. 1/D/10/001774 Lyons Head Farm, Cosmore Basement extension & other minor changes to approved farmhouse which is not yet constructed (in relation with p.a. 1/D/09/000133)			
Parish Council felt it was important to keep these maintained for the future. It was suggested that it may be possible for the Parish Council to organise the repair of the signs.  An article detailing the plans for the B3143 to be included in the Lydden Vale News for February.  2. Following the recent weather, Councillor Haynes also mentioned the gritting program which involves gritting the main local routes and also secondary routes where possible.  There are also supplies of grit available in dumpy bags which can be delivered and stored undercover. Cllr Haynes will request whether it would be possible on this occasion for Cllr Foot to collect several bags prior to the weekend.  5. Minutes of Last Meeting held 9th November: Passed Agreed & Signed  6. Planning Applications: 1. 1/D/10/001751 Wheelwrights, Locketts Lane 2 semi-detached cottages, new vehicular & pedestrian accesses. Car ports Parish Council – No Objections with lighting comment  2. 1/D/10/001774 Lyons Head Farm, Cosmore Basement extension & other minor changes to approved farmhouse which is not yet constructed (in relation with p.a. 1/D/09/000133)		· · · · · · · · · · · · · · · · · · ·
