Item Detail		Action		
1	Period of Public Questions			
2	C Cllr Jill Haynes			
	 The Secretary of State has said that he is minded to go to Unitary, the proposal being Bournemouth, Poole and Christchurch together and then the rest of Dorset together. 			
	Christchurch are sending out a questionnaire to their borough to see which part they want to			
	be in. A plus to Christchurch is that they have the Airport a negative is that they have the			
3	most people aged over 65 in Europe. The next process is an Act through Parliament, with it			
	being rubber stamped in April 2018, with the Council becoming Unitary in April 2019. This is a			
	short time scale as a lot of thought needs to go into how the three teams at present would			
4	merge.			
	 The County Councils Childrens Services are 14 million over budget. There are not enough 	SM		
	foster carers in Dorset. There is a campaign to get more people fostering. SM to put leaflet up and details in LVN.			
	Adult care - There are not enough people doing adult care. 230 beds have closed since August.			
	It can cost up to £1300/week to have an adult in care.			
	 Dorset Waste Partnership are doing very well they are £900,000 in the black. Fly tipping is 			
	still a big problem.			
	CC are working with Public Health England to get people to stay fitter for longer. There are a			
	lot of things going on in Durlston Park, Swanage, Thorncombe woods and Avon Heath. All have			
	been given Green Flag Status.			
	D Cllr Brian Haynes			
	D Cllr Brian Haynes is on the planning committee and has recently been to look at the site in			
	Sherborne (where the old Sherborne Hotel was) which is currently being developed. There is			
	to be a care home, with 70 beds and 66 other units on the site.			
	Community Police Officer - PCSO Alison Donnison.			
	No crimes reported for Buckland Newton			
	 HMRC scams continue, with 13 reports of scams in North and East Dorset. 			
	 Piddle Valley - one burglary at a public house and two at commercial units in Enterprise Park. 			
2	Apologies			
	Cllr N Barker - holiday			
	Clir Andy Foot (AF) - work commitment			
3	Vice Chair Cllr Mark Needham - work commitment Registers of Interest			
"	Cllr John Baker - Neighbourhood Plan			
4	Minutes of Last Meeting held Tuesday 10 October 2017 were Passed, Agreed and Signed.			
1	Proposed JB Seconded CO AIF			
5	Matters Arising			
1	Goal Posts - It was thought that they belonged to Buckland Newton Football Club, but Cllr Chris			
	Osmond confirmed that this is not the case. Not sure if Piddle Valley Pumas are still going. SM to put			
	notice in LVN and Piddle Valley newsletter to see if they belong to anyone.			
2	Dotcom Offices, Stevens Walk - Cllr Haynes has received an email saying that two options for the			
	offices will be taken to committee soon, to decide which is the best way forward.			
3	Mr Collins provided a summary of the amount of hits for the community website. Cllr Baker has			
	requested one for the Neighbourhood Plan website.

	Financial report proposed by LT, seconded SS, AIF		
5	Parish Clerk - Internet Connection Wessex internet has been connected and the speeds are very good. Previously BT was unlimited broadband, but with Wessex they were offering different packages. SM to monitor usage and report back if it is costing more.	SM	
6	Budget Setting and Precept 2018/19 This has to be done by 31 January 2018. SM to circulate figures before next meeting and put as an agenda item for the next meeting.		
7	Change of Signatories SM has filled in form for change of signatories. As previously discussed, R Cuff to come off and Cllr Collins and Cllr Needham to be added. Just awaiting signature from Cllr Barker and then form can be returned to the bank.		
8 1	Neighbourhood Plan Cllr Jane Collins thanked Cllrs John Baker and Lin Townsend for all their work with the neighbourhood plan.		
	A total of 200 parishioners (37.8% of the electorate) voted in the referendum on the 2 nd November and 119 (59.5%) voted in favour of the Buckland Newton Neighbourhood Plan.		
	As there was a majority in favour, West Dorset District Council (WDDC) is now in the process of setting up a special full council meeting on the 7 th December to "make" the plan. This means our Neighbourhood Plan will be adopted as a legal part of the existing Local Plan for West Dorset, Weymouth and Portland, and WDDC planners will use it to help them decide future planning applications in the parish.		
	WDDC will also be amending the relevant guidance notes and webpage on the www.dorsetforyou.gov.uk website regarding the provision for affordable housing. This is because our Neighbourhood Plan requires a greater proportion of affordable housing on site and/or financial contribution than anywhere else in West Dorset; that is up to 50% instead of 35%.		
	The affordable housing contributions made by the developer are in addition to the Community Infrastructure Levy payments on open market housing. Please see www.dorsetforyou.gov.uk/developercontributions/west/weymouth for further details.		
9 1	Highways Drain cover near Lydden Meadow is a hazard. It was marked during the Iron Man. SM to report to Highways Enquiry 1088437 - Fault raised with Contractor.		
2	Overgrown Hedges - a letter was received from a parishioner asking if the hedges on either side of Hilling Lane could be trimmed back, as visibility is being compromised. SM to write to land owners and reply to parishioner.	SM	
3	Sign has been knocked over at junction coming into Duntish. Cllr Osmond to check and report damage to SM.	со	
4	Cllr Baker to supply map to Parish Clerk so that a request can be put in for resurfacing of certain roads in Buckland Newton.	JВ	
10 1	Co-Option of Councillor The Electoral Services Team have confirmed that no-one came forward within the 14 day statutory period, therefore an election does not need to be called. The Parish Council will now fill the vacancy by way of co-option. Anyone interested in becoming a Councillor should write to the Parish Clerk providing the Parish Council with a concise statement of what they feel they can bring to/offer the Parish Council as a Councillor and what their interests are.	SM	

	This to be put as an agenda item for the next meeting.
