## PROPOSED TEMPORARY CLOSURE OF B3143, PIDDLTRENTHIDE

I have received an application from Openreach to close B3143, PIDDLTRENTHIDE between Sun Lane and Rectory Road (in both directions), a distance of approximately 1730 metres. The closure has been requested to provide Openreach engineers with safe access to carry out poletests. These works are programmed to commence between 09:30 until 15:30 on 11th January 2024.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.
