PROPOSED TEMPORARY CLOSURE OF THE CROSS, BUCKLAND NEWTON

I have received an application from WESSEX INTERNET to close The Cross, Buckland Newton between B3143 and Rew Lane (in both directions), a distance of approximately 520 metres. The closure has been requested to allow WESSEX INTERNET to carry out remedial works to rectify a carriageway defect. These works are programmed to commence from 09:30 until 15:00 from 23rd January 2024 to 25 January 2024.

WESSEX INTERNET will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 2nd January 2024.
